Chapter. 01

# Formal Business

Khardeon

# KHARDEON

---

“KHARDEON” offers you a 24/7 companion – suitable for work, business trips, leisure time or travel. It is a hybrid concept of a casual business line designed for men who pursue practicality. The front pocket can be fully opened on the large size backpack, which allows you to store your personal items like luggage. The medium size backpack is designed to be 3 ways – backpack, briefcase and shoulder bag.

# DARKAHN

---

**“DARKAHN” is a contemporary men’s business collection, noted for its smart but relaxed office look for rookies. A tone-on-tone fabric mix of nylon and matte PU, the triangular Vislon zipper and big sized but subtle logo are applied to inject young atmosphere to the collection and mirror the brand identity. It provides a host of smart organising features with diverse storage spaces inside out for clever organisation.**

Chapter. 03

# Urban Casual

Egerton / Turris / Easy Way II / Theon / Tedwin  
Glaehn / Glendalee / Taeber / Everete

# EGERTON

“EGERTON” is a collection in casual but chic design and aimed at young consumers. The overall design is accentuated with use of point colors in logo, zipper pullers, and top handle. The fabric in polyester and nylon blend is durable and perfect for daily use. Consumers will be satisfied with sufficient and functional storage like waterproof pockets.

**BACKPACK M 15.6"**

**BACKPACK L 15.6"**  
79479 (A13\*001)  
BLACK NAVY  
34\*46,5\*16,5 cm

# TURRIS

**“TURRIS” is an innovative and differentiated line optimised for travel and business trips. You will be surprised with its durability, functionality, storage-ability, and transformability. It is characterised by a simple yet modern design. Its waterproof fabric keeps your belongings safe, and the useful interior organisers and two-way styles provide more practical options for the customers.**

Samsonite RED Spring / Summer Collection 2018

# TEDWIN

“TEDWIN” is a casual line staying true to the basics. The simple rounded square design accentuated with black belting detail on the sides can be easily matched to any style. The comfortable wearing, strengthened internal organisers, and the laptop compartment are the noticeable functional features. After all these assets of this line, the biggest asset is the reasonable low price.
